FRENCH CIDER

GOLD

BOLD & FUNKY

Gold utilizes **bitter** and **bittersweet apples**, Bretagne cider-makers most cherished and traditional varieties. Its **high tannins** give it full body and pleasant bitterness that will excite everyone from traditionalists to adventurous newcomers.

Mindfully modern: 1000 years of tradition can finally be shotgunned.

Pairs well with: Mezcal (straight from the bottle if you want, we won't judge you), an entire box of gingerbread cookies, literally every curry in existence.

AVAILABLE IN:
330ML CANS (4 PACKS)
30L ONE-WAY KEGS (STANDARD D COUPLER)

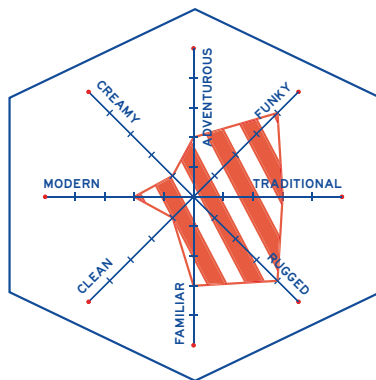

VARIETALS: BITTER AND BITTERSWEET
(KERMERRIEN AND DOUCE KNOAT)

COLOR: GOLDEN HONEY

TASTING NOTES: LEATHER, WOODY UNDERGROWTH

MOUTHFEEL: MULTI-LAYERED AND RUSTIC
